## **What to Expect**

Please prepare your younger swimmers, this meet will have 5 time the amount of swimmers as any previous meet this season. It will be loud, festive and at times a bit confusing. All swimmers and families are required to sit in their designated team area. There are some spectator stands available poolside. A map is attached.

### **Marshaling**

Marshaling at League Meet is not like a dual meet. There will be a large marshaling area behind the blocks. All events except relays are marshaled. Please watch the marshaling boards and listen to the announcing carefully to ensure your child doesn't miss their event. All 10 and unders are asked to have an adult accompany them to the marshaling area and assist them with finding their card.

### **Lunch**

The tradition is to have lunch as a team. There will be tables set up in the NSC team area. Please refer to the previous email for details.

### **Order of Events**

Attached is the League Meet order of events. (See attached document.) Please review as it is different from a typical dual meet.

### **Ribbons**

Ribbons will be picked up by a designated parent and brought to the team area for the swimmers to pick up.

Keep an eye out for the rest of the emails. Have a great day.

GO PENGUINS!
