BOARD WELCOMES GAIL MROZ

We are happy to announce the election of Gail Mroz to the Northville Swim Club Board. She replaces Tiffany Chiado in Aquatics who is being relocated out of state. Gail has lived in Northville for 22 years and the Mroz family have been swim club members for the last seven years. Her girls Shelby and Darby love the club and the swim team! She is interested in participating as a board member to give something back to the club that we all enjoy so much. Welcome Gail!

SPRING WORK DAY THANK YOU

If you were up at the club the last Saturday of April or the first Saturday of May - **THANK YOU FOR YOUR HARD WORK.** Some went above and beyond the calling by working more hours than they could earn passes.

A special thanks goes to the group who dug all of the weeds and overgrown grass from the playground and volleyball court. They have never looked better. Special thanks also goes to the members who cut down all of the items growing through the fence line and the dead trees near the playground. Mary Jaye and her crew also get a huge thank you for planting all the flowers at the club, they look wonderful again this year.

Rule Reminders

With the beginning of the season, we like to remind everyone the club is for all the members and their guests to enjoy. Please follow the rules and instructions from the staff. They are all trained to keep you safe and the club running smoothly.

Please **drive slowly and in a counter-clockwise direction** - turning right at the top of the drive. For a complete list of the recently revised rules, see the [Membership Page](#) on the website or grab a copy at the front desk. Be alert...there are some new ones!

Guest Passes

We are keeping guest passes at the same \$5 fee as the last few years. There are lots of opportunities to volunteer to earn guest passes, five passes per hour of work up to a maximum of 30 passes. We have a new [Volunteer page](#) on the NSC web site for special opportunities. You can also talk to a Board Member with any ideas you may have for a volunteer project.

2009 CLUB IMPROVEMENTS

You will see a few updates and upgrades we hope you enjoy in the 2009 season. The ladies locker room has been significantly upgraded. Many of the lockers were removed to make way for a new vanity and more counter space. All of the counter tops are now stainless steel and there are also new light fixtures.

The club house roof was repaired over the winter. Thanks to Michelle Carmona and friends, the front office has now been painted and is freshly purged and organized. You will also see many new signs both inside and outside of the club to help us all do our part in following the club rules.

2009 MANAGEMENT STAFF

For 2009, we will be structuring the management roles. In addition to regular shift assignments where they are in charge of the club while on duty, each assistant manager will have a specialty area of focus. Each manager and their respective area of focus is:

Ryan Wheaton- General Manager
 Monica Knudsen - Snack Shack Manager
 Matt Breen - Staff Manager
 Garrett Turner - Pool Operations Manager
