

Northville Swim Club is located at:
646 W. Baseline Road,
Northville, MI 48167
248-349-6670

Northville Swim Club is located on one of the highest points around, right behind the water tower behind Hillside Middle School near the intersection of 8 Mile Road and Center St. From downtown Northville (Center and Main), the club can be reached by heading north on Center Street past Hiller's Market and turning left (west) onto Walnut Street, then right (north) onto East Street and left (west) onto Baseline. This takes you behind Hillside Middle School. When you see the water tower at the end of Baseline Road, continue onto the driveway to Northville Swim Club. (The driveway looks like it services the water tower, but keep going on the driveway a little way up the hill, you will see the sign for Northville Swim Club and then our parking lot.)

From 8 Mile Road, turn south onto Center Street heading toward downtown Northville. After passing Hillside Middle School, turn right (west) onto Walnut, then right (north) onto East Street and left (west) onto Baseline. This takes you behind Hillside Middle School. When you see the water tower at the end of Baseline Road, continue onto the driveway to Northville Swim Club. (The driveway looks like it services the water tower, but keep going on the driveway a little way up the hill, you will see the sign for Northville Swim Club and then our parking lot.)

Although the club is physically close to 8 Mile Road and Randolph Street, there is no access to Northville Swim Club except from Baseline Road behind Hillside Middle School.

Overflow parking for Northville Swim Club is graciously granted at Hillside Middle School. There is a walking path from Hillside Middle School parking lot to Northville Swim Club located along the tennis court fence and proceeding into the trees surrounding the Northville Swim Club parking lot.
