NEW WEBSITE !!!

Our Northville Swim Club has a new website! Check out www.northvilleswimclub.com for all the latest news, events and announcements!

The web site features the calendar, the latest in social event news plus swim team results and updated directions to the club (for your guests).

MANAGER'S REPORT

The summer is off to a great start! The weather has been wonderful, and everyone is having fun. Please listen to the life guards. Remember to take showers before entering the pool, yes everyone must shower. This helps keep the pool clean.

We have a new low basketball hoop for the 10 and under kids. The lower hoop is for the little kids, NO HANGING ON THE RIM!

Let's all help keep the club looking its best by picking up any trash. Help the kids learn to clean up after themselves as well. Containers are available for recycling pop cans. Please empty and rinse your pop cans and use the recycling bins.

Any questions, ask a manager or a board member.

Everybody into the pool !
